State Surplus Property Office One Ashburton Place, Room 1017 Boston, MA 02108

Thank you for your interest in the Massachusetts Surplus Property Program.

The program uses the following methods to sell state owned surplus property:

Public On-Site Auctions
On-Line Auctions

In most cases vehicles and related equipment are sold at on-site public auctions. Currently this department uses Auctions International Inc. to perform these sales. Their web site is: www.auctionsinternational.com. When the State Surplus Property Office schedules an auction, the sale is advertised on their web site as well in the auction section of the Boston Globe on the Sunday proceeding the day of sale. In addition this office has installed an auction hot-line (617-720-3199) which you are free to call for information on our sales.

Most on-site auctions are held on either on a Friday or Saturday at 10:00 a.m. The public may view vehicles slated for sale on the day prior to the auction between the hours of 9:00 a.m. to 3:00 p.m., as well as from 8:00 a.m. on the day of sale. A complete list of the items along with terms and conditions of the sale will be available at the auction site.

Auctioned items are sold "as is, where is". Full payment must be done at the conclusion of the auction. Payment must be made by cash, money order or bank check with two means of identification. One piece of identification must be a valid driver's license.

Auctions are scheduled several times throughout the spring, summer, and fall. Due to inclement weather conditions, auctions are not conducted during the winter months.

On occasion, vehicles and other equipment are sold on-line using the Auction International web site. Other surplus property such as medical, computer, and office equipment may be listed on-line using on-line auction websites such as Public Surplus Inc. (www.publicsurplus.com), GovDeals Inc. (www.govdeals.com), or Property Room (www.propertyroom.com). All sites are fairly simple to use and navigate.

Again thank you for your interest in the Massachusetts State Surplus Property Program. If you have any questions on this matter, please contact Paul Guerino at 617-720-3146 or email paul.guerino@state.ma.us.
